

Eileen Conners Elementary School

Mr. Steve Piccininni, Principal • Mrs. Jennifer Gerber, Assistant Principal

Hello Conners Families,

I hope you are all in good health and staying safe. It's time to begin registration for the 2021-2022 school year. Considering recent events, registration will be done a little differently this year.

The registration window opened on Monday, April 19, 2021. Parents are able to register for the 2021-2022 school year using the Infinite Campus Online Registration system at: campus.ccsd.net/campus/portal. Online registration can be completed using a desktop, laptop computer, on a tablet or cell phone. Only one registration application needs to be completed per family. If you have a new kindergartener or a new student to the district, you will add them to your existing application.

Please do not register children that you are not the legal parent or guardian of. Example: NON-biological child(ren), your grandchildren (unless you have court documents or proof of legal guardianship) and step-children.

If you need assistance with your user ID or password for the Parent Portal, please contact 702-799-PORT (7678).

**If you have a new student enrolling at Eileen Conners or you have recently moved, please provide proof of address. Proof of address includes the following:

NV Energy bill, Southwest Gas bill, Las Vegas Water District bill, a CURRENT lease agreement or a Mortgage bill. We will also need a state ID of the parent or guardian(s)

Please note: Name, address, and current date must be visible.

If you do not have any of the aforementioned documents in your name, you will be required to complete a Residential Affidavit. This must be notarized and returned with the ID and proof of address of the person whom you and your children are residing. The address that appears on the state ID of the person you are residing with MUST match the address on the current proof of address (as listed above).

If you are residing outside of our attendance zone, a zone variance request must be filled out. Zone variance forms will be reviewed by the end of June.

Your student will not be assigned to a class unless the zone variance request is approved by the Administrator at both the requested and zoned schools. It is advised to register at your zoned school until the zone variance is reviewed.

*For incoming kindergarten or students new to Clark County School District, please email a copy of the birth certificate, immunization records, parent ID and proof of address to: 0346-inbox@nv.ccsd.net. For students in grades other than kindergarten, proof that the prior grade was completed will also be needed. Documents such as a report card or certificate of completion will suffice.

If you have any questions please call 702-799-1402 extension 4006.
